

## Beyond The Preflight

Be more vigilant on your next preflight to assure yourself the aircraft is airworthy before you fly. "Beyond the Preflight" is designed to assist a pilot by enhancing their aircraft preflight knowledge beyond the standard use of their preflight checklist. This program teaches pilots additional items and techniques they can apply to their preflight inspection in conjunction with their standard aircraft preflight checklist to help reduce their risk of an accident. Click the link below and register TODAY.

**Directions:** Exit 40 from I-26 then Rte 280 (Airport Road) toward Asheville Regional Airport. Then Right onto Aviation Way. Lacey Griffin Building is located at the intersection of Aviation way and Wright Brothers Way.
